American Wireless Partners with O-Mobile for Pay-As-You Go Prepaid Wireless

Campbell, California--January 6, 2006 - Offering consumers instant access, with no contracts or credit checks, to the hottest phones with national Sprint coverage, American Wireless has rolled out O-Mobile phones, prepaid cards and service to its nationwide network of dealers. Capitalizing on the tremendous growth in prepaid services, American Wireless rounds out its full suite of prepaid wireless options with O-Mobile's latest handsets operating on the Sprint national PCS network.

O-Mobile's sophisticated handsets and multiple service plans were designed for students, frequent travelers, professional truck drivers, mobile workers, those without credit cards or the vast community of individual that prefer cash transactions.

"The beauty of O-Mobile is that it gives consumers the option to increase or decrease their plan minutes on a month-by-month basis without being tied down by a contract or interrupting their service," said Bruce Hallinan, director of prepaid services for American Wireless. "With prepaid wireless revenues expected to reach nearly \$10 billion by 2007, we believe the addition of O-Mobile to our stable of wireless prepaid products is a big win for our dealers and customers."

Three handset choices will be offered by American Wireless dealers, including a Sanyo camera phone, along with five monthly plans. Monthly plans range in price from \$19.99 for 50 anytime minutes to \$119.99 for 1,000 anytime minutes with roaming, nationwide long distance and nights and weekends included. O-Mobile prepaid cards are also available and easy to Refuel™ at American Wireless dealer locations.

O-Mobile phones, prepaid cards and service are available now for purchase at any participating American Wireless dealer nationwide by calling 800-260-2672. American Wireless dealers display a Fuel brand sign for consumers to easily identify where a card can be Refueled.

American Wireless and its dealers are offering O Mobile customers one month free service, worth \$29.99, after a phone is Refueled two times.
